

EDUCATIONAL REQUIREMENTS FOR ARIZONA FUNERAL DIRECTORS

To ensure that all licensees maintain and improve their professional skills, each person holding a license issued by the State Board of Funeral Directors and Embalmers is required to participate in **12** hours of continuing education as a condition for renewal of individual or dual licenses. See statute (ARS 32-1338).

In order to assist our members in acquiring these continuing education hours, AFDA offers several opportunities to receive continuing education:

Mandatory Hours: The state requires a minimum of 3 hours of technical, 3 hours of legal, and 3 hours of professional development. Additional hours may be made up of any of the categories.
